Siemens Learning Advantage — On-Demand Training

01

Unlock 10 000+ curated learning modules spanning Solid Edge, NX, Simcenter and Teamcenter — available 24/7 to every team member. Accelerate self-paced skill building between live sessions and keep your engineering team current with every software release.

TEAM ENABLEMENT

Site-Wide Learning Licences

02

Up to **three Siemens Learning Advantage seats per software licence** — scalable further on request — so engineers, simulation analysts, PLM administrators and non-CAD staff can all progress along a unified training roadmap together.

HANDS-ON LEARNING

Instructor-Led Training Credits

03

Redeem **R 3 000 per licence per year** toward Ultimate Partner's in-person training. Perfect for deep-dive workshops on advanced NX surfacing, Simcenter FEA workflows, or Teamcenter configuration and change management best practices.

DEDICATED CONSULTATION

Ask an Ultimate Expert Sessions

04

One private **two-hour consultation per licence per year**. Schedule focused time with an Ultimate Partner specialist for model reviews, PLM process design, simulation methodology or Teamcenter integration strategy — delivered live and tailored to your project.

PREMIUM SUPPORT

Discounted Consulting & Service Level Agreements

05

20% off consulting engagements for Teamcenter implementations, Simcenter automation scripting or custom Designcenter workflows. **OR 10% off** monthly SLAs — ensuring proactive health checks, priority response and faster issue resolution across your entire Siemens DISW environment.

RECRUITMENT ADVANTAGE

Technical Talent Acquisition Support

06

Gain a **3% discount on placement fees** for qualified CAD, CAE and PLM technical hires, helping you build a stronger team of Siemens-certified engineers while reducing talent acquisition costs.

PRODUCTIVITY BOOST

07

50% Off Siemens Accelerator Add-On Licence

Unlock the full power of Siemens Accelerator tools — automation utilities, reusable template libraries and workflow macros for Designcenter, Simcenter and Teamcenter — now at **50% off**. Drive faster, error-free digital engineering from day one.
